Bespoke Fabric Guide

Impala Fabrics

Impala evolved from an extensive research and development project with a single goal in mind, to create a revolutionary designer fabric that blends excellence in style with the utmost practicality at an affordable price.

Offered in a range of stylish and vibrant colours, it is the ideal choice for any modern interior design.

Warwick Fabrics

Antilia

This practical weave has the merest hint of shine, subtly reflecting the light.

Antilia is suitable for upholstery and is available in key tones such as cool pewter, rich chocolate and warm birch.

Biarritz

Biarritz is a plain chenille with an elegant lustre creating a luxurious finish.

The colour palette is muted, with plenty of greys and silvers to meet the demand for this calming colour so popular in schemes at the moment.

Chambray

This deliciously soft brushed plain is perfect for all interior applications.

Chambray has the quality feel without the high price tag usually associated with such a chic fabric.

Dolce

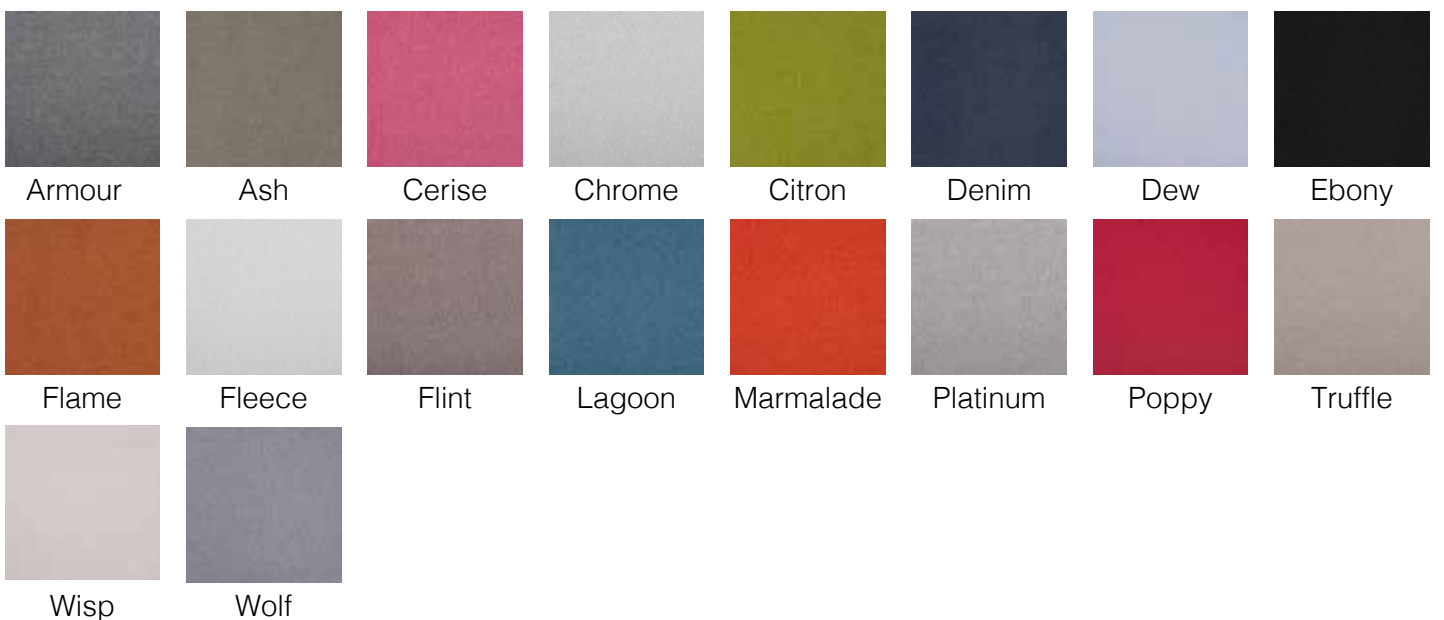

This lustrous semi-plain chenille has swing and sheen. It is available in a range of opulent colours. Dolce is stocked both non-FR and FR-Treated for UK Domestic upholstery.

Dolly

Dolly is a deceptively hard-wearing fabric with a Martindale Rub Test of over 80,000 rubs: a versatile plain ideal for both domestic and contract applications. Dolly has the look and feel of wool, without the cost!

Dolly also benefits from our super Stain Guard Finish, giving you extra time to deal with life's little accidents!

Habitat

Habitat is a classic woven plain, with differing colours used in the warp and weft, giving a soft textural feel. The earthy colour palette is understated and coordinates perfectly with many of our collections.

Havana

Havana is a plain tonal weave with a muted colour palette giving a soft vintage vibe for upholstery.

Homespun

Homespun is our new rustic, woollen-look plain, available in 22 designer colourways.

Flecked with several colours or shades, each metre of this cloth will be unique.

Soft to the touch, Homespun is washable and perfect for upholstery.

Lovely

The dense pile of Lovely velvet is exceptionally soft and romantic, with contemporary matt, chalky colours ranging from calming neutrals to fashion-led pastel shades. Lovely is finished with a printed overlay to give a subtle mottled painterly feel.

Alabama

Alabama is a chic woven plain fabric with a subtle herringbone pattern for added texture. It is ideal for upholstery, and with 36 colours there's something for every interior scheme here.

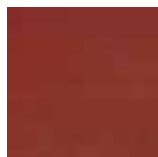

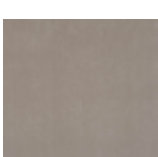

Mystic

This superb velvet with extremely soft handle comes in a large colour range with both calming naturals and jewel brights.

Plush Velvet

Oh my! This velvet must be felt to appreciate it's wonderfully soft texture and depth of colour. We have also recently expanded the colour range to ensure giving you the best choice of colours for your scheme.
